Your doctor has recommended that you see the following provider:

- Alaya Griffith, LMP, Licensed Massage Practitioner
- Dennis Clarin, LAc, Licensed Acupuncturist
- Chad Aschtgen, ND, Naturopathic Doctor

**If you will be billing your insurance:**

Each insurance carrier has different rules and regulations concerning massage, acupuncture and naturopathic services. If it is your intention to bill your insurance company, it is your responsibility to call your provider to obtain information concerning your benefits for these services. This is imperative to maximize your insurance reimbursement.

If your insurance covers part of the treatment cost, you are responsible for paying the co-payment at the time of service. If your insurance does not cover these services, you are responsible for all fees. If you do not have insurance and would not otherwise be able to afford these services, please ask about financial assistance.

**For questions or to schedule your appointment, please contact Rosemary King in the Resource Room at (360)754-3934, x1083.**
